When Security is Paramount

Looking for an elegant, and secure storage solution suitable for use in homes and commercial environments? The Paramount Safe is designed to protect your valuables against Burglary and Fire hazards. Designed and engineered to the very latest standards, the range combines stylish looks with outstanding levels of security. The collection has been designed to complement all environments whether it is modern or classic. An efficient and modern storage system for your cash and documents.

The Paramount range is built under the Integrated Management System (IMS) Certification, which encompasses the ISO 9001:2000, ISO 14001, and OHSAS: 18001 (Operational Health and Safety Assessment Series) Certifications - thus committing delivery of standard products, under pre-defined quality and safety procedures which are being continually monitored and assessed by Internal & External audits.

Godrej Security, the Paramount Manufacturer, is also renowned globally for its ethical Business practices and its concern for Environmental and Social welfare.
